

World #1 Air Treatment Brand
Euromonitor 2015

A Top 5 Global Brand
Forbes household appliance rank 2015

Global sales of products manufactured by Midea
12.6 Products Sold Every Second

Annual sales of home appliances
400 Million Units Sold

Complete Air Conditioning Solutions from The World's #1 Air Treatment Brand

Industrial Product Range

Large Duct

- Fixed speed & Inverter**
- Large capacity 28kw - 56kw

Rooftop

Self-contained Rooftop Package

- Large capacity
- High efficiency scroll compressor
- Design flexibility
- Easy to install, service and maintain
- Durable construction
- Convertible air-flow
- Self diagnostics

VRF

VRF Mini - Heat Pump

- High efficiency DC Inverter compressor
- Power saving - economical
- Long pipe run
- Versatility - indoor selection
- Versatility - application & design
- Wide operation mode
- Flexible/long pipe design

VRF

Heat Pump & Heat Recovery

- Wide operation range
- Long pipe run
- Back up function
- High efficiency: EER & COP
- High efficiency full DC Inverter compressor
- Comprehensive indoor range
- Large outdoor combination capacity up to 180kw

Industrial Product Range

Chiller

Mini Chiller

- Full DC Inverter technology
- High efficiency
- Wide operation mode
- Energy saving & reliability

Chiller

Air-cooled Scroll Modular Chiller

- Modular design - large versatility
- Energy efficient - economic
- Wide operating range
- Reliable & extreme protection
- High efficiency - heat exchanger

Chiller

Centrifugal Water-cooled Chiller

Chiller

Water-cooled Screw Chiller

- Large capacity - 1500kw
- High efficiency (flooded evaporator)
- Eco friendly - R134A
- Optimized operating interface
- Advanced twin rotor screw compressor

Chiller

Air-cooled Screw Chiller

- Eco friendly refrigerant
- Large capacity - design flexibility
- Low refrigerant charge
- Economic

Fan Coil Units

Wall Mounted

- Stylish panel
- Convenient installation
- Easy maintenance

Fan Coil Units

2 & 3 Row Duct FCU Unit

- Variable range 'esp' (12pa; 30pa; 50pa; 70pa)
- Auxiliary electric heater
- Extended drain pan
- Return air plenum & filter
- Left or right piping connection
- Fresh air supply

Fan Coil Units

4-way Cassette FCU Compact

- Compact design
- Easy installation
- Drain pump
- Fresh air intake
- Stylish panel

Fan Coil Units

4-way Cassette FCU Standard

- Easy installation
- Drain pump
- Fresh air intake
- Stylish panel

Air Handling Units

- Horizontal AHU
- Vertical AHU
- Ceiling/Suspended AHU
- Modular AHU
